Imagine a facility that offers a convention center with a full-size arena, top-notch banquet facilities and tiered lecture hall. Add easy access, convenient and plentiful parking, full service catering featuring everything from popcorn to prime rib, wireless access, and state-of-the-art in-house AV capabilities. These are just a sampling of what we can offer to help carry the events of your dreams to reality!

The Special Events Center specializes in small to medium-sized events and combines features that both full-sized convention centers and hotels offer. We offer the flexibility of both a first-class arena and a full conference center equipped with a ballroom and breakout meeting rooms.

**Our doors are open and the secret is out!**

The Special Events Center offers all the amenities of the largest high tech facilities around with one major exception. Your event, large or small, is the center of our attention!

**Unleash your Imagination!**

We look forward to helping you take your event to the next level.
