Imagine a facility designed by one of the nation's leading sports and entertainment venue architectural firms that offers you the flexibility of a full arena with seating for more than 7,000, a 13' X 33' ProStar video screen, sponsor and VIP entertaining areas, secured locker rooms, a 2,000 square foot training room and a convention center with ballroom and meeting space.

The Special Events Center specializes in small to medium-sized events and combines features that both full-sized convention centers and hotels offer. We offer the flexibility of both a first-class arena and a full conference center equipped with a ballroom and breakout meeting rooms.

Our doors are open and the secret is out!

The Special Events Center offers all the amenities of the largest high tech facilities around with one major exception. Your event, large or small, is the center of our attention!

Unleash your Imagination

We look forward to helping you take your event to the next level.
